I'm new to modding Fable 3. I was just wondering is anyone knows how to get rid of scar and preventing them using the tools BnkCreator and BnkBrowser. If so how do I do it?

here a simple code to remove all scars

```
if Morph.GetNumberOfScarredAreas(QuestManager.HeroEntity) > 0 then
```

```
    Morph.RemoveRandomScar(QuestManager.HeroEntity)
```

```
end
```
